Women's Learn to Play Program

The Women's Learn To Play Hockey Program offers a fun way to learn the basic skills and fundamentals of the game of ice hockey. This program is designed for women who are interested in learning the proper basic techniques of hockey with the goal of feeling comfortable and successful in a recreational game environment. Skaters must already know how to skate (this doesn't mean you have to be an amazing skater!) but have never skated in an hockey environment. It's a great way to get out of the house and exercise once a week.

- ◆ Must be USA hockey registered
- ◆ There will be 2 ten weeks session starting October 6th
- ◆ Practice will be Thursday nights 8:10pm-9:10pm
- ◆ Cost: \$120 a session . Each session is 10 weeks.
