## Class Descriptions:

### HOME SCHOOL BASICS:

For children 5 and up.

These classes are designed to help children to develop the ABCs of movement — Agility, Balance, Coordination & speed. Classes are a safe and positive environment, incorporating fun & games, making class time an enjoyable experience for all.

### HOME SCHOOL ADVANCED:

For those skaters who have mastered basic skating skills, we will take your accomplishments to the next level. Skaters will be introduced to foot work, spins, jumps.

### ME & MINE:

For children 3—5 yr. with an adult.

We will create a fun environment for children to learn skills both on and off ice. Basic marching, gliding, dips and stops will be incorporated into games to make this introduction to skating enjoyable for years to come.

### ADULTS:

For ages 18 & older.

The adult curriculum promotes physical fitness and improves balance and coordination while teaching proper skating techniques.

### HOCKEY BASICS:

Proper skating techniques for the game of hockey are the primary focus. Skaters will learn the necessary fundamentals to be successful in hockey practices and skating game situations. (Taught without a puck)
